Mountain Avenue improvement

Council urges project approval

By Lynne Locke

After hearing mostly positive input about the proposed Mountain Avenue improvement project at a special meeting Monday, the Upland City Council voted unanimously to recommend project continuation to federal and state agencies which are funding the project.

Testimony and the recommendation will be reviewed by agency officials who will make a final determination on the project.

The only objection was voiced by Hensley Torta who stated that installation of a left-turn island at Mountain

Avenue and Arrow Highway would interfere with access to his business.

The project, costing an estimated \$1 million, will improve traffic flow and safety as well as upgrading the appearance of Mountain Avenue, according to City Engineer Fred Blanchard. The project will be paid for by federal

aid urban funds and matching gas-tax funds.

The City Council will hear a report on the landscaping phase of the project at the regular council meeting 7 p.m. Monday.

Under tentative plans, street widening and construction of islands will be completed by November, with traffic signals completed by January 1976 and a computerized traffic system installed by July 1976.

The computerized traffic control system will eliminate stop-and-go driving by coordinating all traffic from the San Bernardino Freeway to Foothill Boulevard. Blanchard said the computer, located at City Hall, will monitor all traffic conditions and synchronize signals for "optimum traffic flow."

The computer will be programmed to consider pedestrian traffic and unusual situations such as periodic heavy traffic to Mt. Baldy or the Department of Motor Vehicles building, noted Blanchard. Electronic speed signs will tell motorists what speed is best at that particular time.

Torta, who owns a carwash at the northwest corner of Mountain Avenue and Arrow Highway, said the Mountain Avenue improvements are "long overdue," and added that he opposes only construction of a left-turn island north of the intersection of Mountain Avenue and Arrow Highway.

The length of the island, which is 220 feet long, would prevent north-bound traffic from making a left turn into his business, Torta said.

If the left-turn island is shortened, left-turning cars will spill over into the

through lanes and interrupt the traffic flow, Blanchard explained. He noted that most north-bound cars turn left at the intersection and enter the car wash from Arrow Highway.

Councilman Hal Bailin commented that Mountain Avenue has many safety problems that must be corrected and called the project "absolutely necessary to the community."

Dr. William King, a native of Upland, said plans to landscape Mountain Avenue "are in keeping with the attempt to make this a more livable city." The project's major improvement would be a more efficient traffic flow, he added.

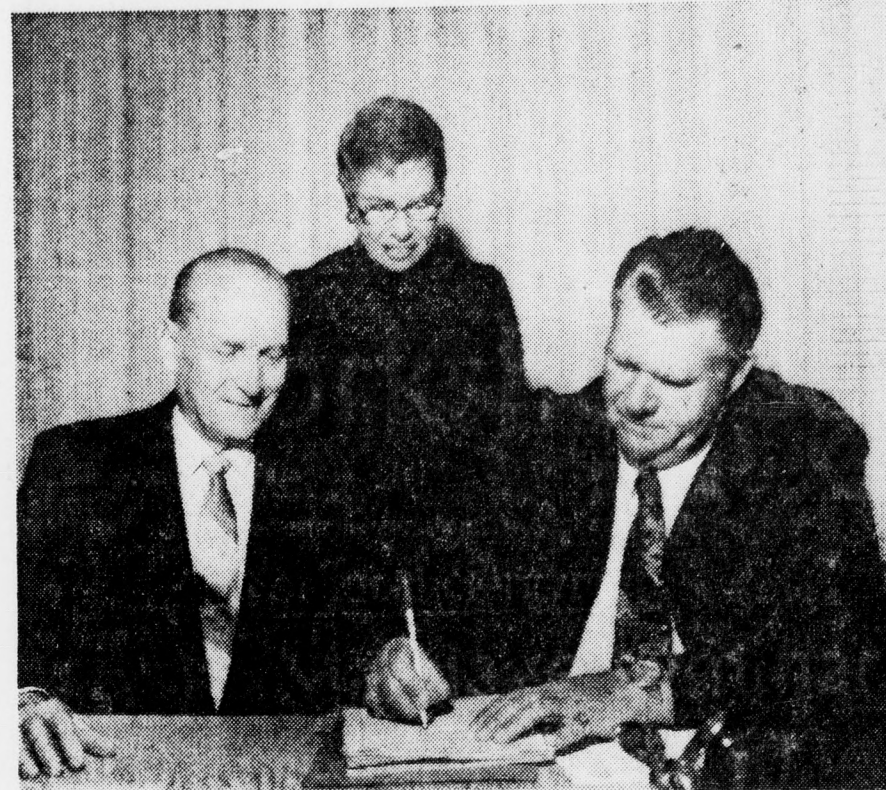

The chamber of commerce supports the project because it is "certainly an asset to the community as a whole and to the business community," said Roy Leventhal, a member of the chamber's board of directors.

The improvement project also includes widening freeway ramps to two lanes and modernizing and installing traffic signals from Seventh to 16th streets. Bottlenecks north of Foothill Boulevard will be eliminated by widening Mountain Avenue.

Blanchard commented that the project must be put to bid before the June 30 deadline for federal projects so the project doesn't lose its top priority rating.

Maps, drawings and the environmental impact statement for the project are available for public inspection or copying at the Upland Engineering Department.

Interested citizens can submit oral and written statements to the city clerk supporting or opposing the project until March 10.

BICENTENNIAL — Mayor Abner Haldeman (left) and Charles Admas, chairperson of Upland's Bicentennial Committee, sign an application to become a Bicentennial city with City Clerk Dee Carpenter as witness. The 44 committee members, representing all facets of community life, will coordinate Upland's activities for Heritage '76, Festival USA and Horizons '76, the Bicentennial's three themes. School boards to meet

Area school board meetings scheduled this week include: Chaffey Union High School District 7 p.m. Monday at the district office, 211 W. Fifth St., Ontario; Chaffey Community College District's annual organizational meeting and a regular meeting 7:30 p.m. Tuesday in the Chaffey College administration building.

Upland School District will hold an organizational meeting 7 p.m. Tuesday to elect officers. The board meets at Citrus Elementary School, 925 W. Seventh St., Upland.

Stained glass, crafts classes

Chaffey College Community Education is offering a class in leaded and stained glass and a class in scraps crafts for teachers. The 10-week stained glass class will meet 7-10 p.m. Monday starting April 14 at the Upland Recreation Annex, 433 N. Second St.

The scraps class will emphasize art projects for preschool and primary-grade children and summer recreation or camp programs. The class will meet 4:30-6:30 p.m. Mondays starting April 14 at the recreation annex. Register for both free classes at the first session attended.

Public hearing

The San Bernardino County Commission on the Status of Women will hold a public hearing 1-3 p.m. April 12 in the Upland Public Library multipurpose room.

Newly appointed commissioners from the second supervisorial district are Mary Wooten of Upland, Linda Perrigo of Fontana and Ilene King of Ontario.

The commissioners hope West End women will attend the hearing and suggest problems that need study or action. Possible topics include credit, housing, health care, education and transportation. Commissioners also plan to build a file which can be drawn on when other organizations ask for recommendations of women qualified for certain jobs.

The commission will hold a general meeting April 23 in San Bernardino to pool information gained from public hearings and to set priorities for the commission. Women who can't attend the public hearing can call 985-8986 after 5 p.m. or write to the Commission on the Status of Women, 157 W. Fifth St., San Bernardino.

Psychologist to speak

Marcia Lasswell will speak on "A Psychologist Looks at Women in the '70s" at the noon meeting April 12 of the American Association of University Women (AAUW), Ontario-Upland branch. Mrs. Lasswell is a psychologist in private practice and associate clinical director in the Ph.D. marriage and family counseling program at USC.

AAUW members also will hold a short business meeting and select study topics for the next two years. Proposed topics include society and the individual world pluralism, economic facts of life, and the 21st Century. Reservation deadline for the luncheon meeting is April 7. For reservations call 986-7177.

Modeling workshops

Upland Recreation Department is offering modeling workshops taught by JoAnn Fitzgibbons. Girls 5-12 years old will meet 4:30-5:30 p.m. Thursdays for eight weeks to learn color and fashion coordinating, and teamwork, runway and mannequin modeling. Other topics will include parties, conversation, friends and family, hair and poise.

Teens will meet 5:30-6:30 p.m. to learn hair styling, cosmetics, skin care and wardrobe coordination. Modeling skills for photography and fashion shows will also be discussed. Both classes will meet at Magnolia Recreation Center.

An advanced course for girls who have completed the beginning class will be offered 5-6 p.m. Tuesdays at Upland Recreation Department. To register for the classes, call the Recreation Department, 982-1352, ext. 55 or 56.

Queen candidates

Uplanders Lydia Olagues and Yolanda Gonzalez are among 16 candidates for Chico de Mayo queen. The contestant who sells the most tickets will be named queen April 26. Proceeds from the contest will be used for college scholarships. Other Cinco de Mayo activities include a fiesta and parade May 3. Parade theme is "Liberty through Education."

High school sports

Upland High School athletic teams have the following competition scheduled this week: girls' track and field in the Chaffey Invitational 9 a.m. Saturday at Chaffey High School; boys' track against Montclair High School 3:15 p.m. today at Upland and in the Chaffey Invitational Saturday at Chaffey; girls' gymnastics against Chaffey 3:15 p.m. today at Upland; varsity and junior varsity baseball against Garey High School 3:15 p.m. Friday at Garey and against Chino High School 3:15 p.m. Tuesday at Upland; frosh baseball against Garey 3:15 p.m. Friday at Upland and against Chino 3:15 p.m. Tuesday at Chino; golf against Damien High School 3:15 p.m. Wednesday at Damien; tennis against Garey 3:15 p.m. Friday at Upland and against Chino 3:15 p.m. Tuesday at Chino.

Dreams course

Alexandra Krahelski will teach a free course, "Dreams: The key to self-awareness," 7-10 p.m. Wednesdays at 123 E. D St., Upland. The class, sponsored by Chaffey College Community Education, will meet through June 11. Registration will be taken at the class time.

QUEEN CANDIDATE — Olive Wood enjoys a bouquet of red roses after being chosen as the silver queen candidate from California Villa, Upland. The 97-year-old woman "won by a landslide," according to activities director Edith Miller. Miss Wood will compete for the silver queen title with senior citizens from Pomona Valley. The Wisconsin native was an elementary school teacher for many years and enjoys writing letters and clipping newspaper items to share with friends and relatives. The silver queen contest is cosponsored by the Upland Recreation Department and the youth activity group of the Latter-day Saints Church, second Upland ward. The candidates, 70 years or older, are nominated by senior citizen groups and retirement homes. (Photo by Lynne Locke)

Teresa Hinds

Work experience helps Upland High student

By Lynne Locke

Upland High School's work experience program helps students such as junior Teresa Hinds work toward their future careers.

Students in the vocational program are placed in paid jobs relating directly to their interests. An exploratory program allows other students to investigate such careers as veterinary medicine, health services and legal profession.

Through the vocational program Teresa works at the "Ontario Daily Report" as a copy clerk. She also will be gaining writing experience as Upland High School's representative to the "Upland News."

As copy clerk Teresa works Saturday night to put out the Sunday morning paper. She is in charge of teletype machines which receive national and worldwide sports and news.

Teresa said one of the best things about working on the "Daily Report" is "keeping on top of what's happening and knowing what's going in the paper before everyone else."

Reports and editorials have been very helpful in teaching her newspaper terms and she has learned some hints about editing and writing headlines.

Teresa said her "big dream" is to own a newspaper or magazine. On the way to

that goal she plans to major in journalism at college and become a reporter.

"One thing is for sure," she said. "I don't want to get into writing 'Dear Abby' or the women's pages." Teresa likes to write feature stories such as play reviews but also reported on the high school tax override election for the school paper, "The Plaid Press."

She learned about the job opening at the "Daily Report" when she interviewed reporter Steve Papinchak for her work experience class. Work experience students meet once a month for classroom sessions on working.

Coordinator Gail Houghton said class sessions relate directly to the students' jobs. They study labor laws, emergency procedures, income tax and social security, job interviews and time and money management.

She said students get graduation credit for their jobs because they learn so much, including dependability, accepting criticism, and employer-employee relations. To bridge the gap between school and the job, work experience coordinators visit each employer every nine weeks.

Teresa said the hardest part of her job is separating the tapes for sports stories. At first she ripped the computer tapes in the wrong place, tearing stories in half. Then she learned to work more slowly and check for the end of the stories.

Several exciting things have happened since Teresa started working at the "Daily Report." One Saturday a kite tangled on the electric wires, blanking out the computers for 20 seconds so they all had to be reprogrammed.

A malfunction of the sports receiver also caused confusion because none of the sports copy made any sense, she said. With a sports deadline quickly approaching, she had to arrange for the teletype to be repaired and call the wire service for repeat stories.

The work experience program is open to all students who are 16 years old. Upland's program has 250 students.

Two Upland swimmers advance in B-C meet

Two members of the Upland Aquatics advanced to class A competition at a recent B-C meet.

Todd Kupferer advanced to 11-12 A class by taking first place in the 100-yard and 50-yard breaststroke. He also placed third in the 100-yard backstroke, fourth in the 50-yard backstroke and sixth in the 50-yard freestyle.

Jennifer Weck advanced to 10 and under A class by finishing first in the 100-yard. She also placed first in the 50-yard backstroke, fifth in the 100-yard

Steven Weck moved into 8-and-under B times in all strokes as he finished first in the 25-yard butterfly, the 50-yard breast and the 50-yard free. He placed in every event, finishing second in the 100-yard individual medley, fifth in the 100-yard free and sixth in the 50-yard back.

David McDevitt moved up to 11-12 B class while taking a first in the 100-yard breast and a third in the 50-yard breast, freestyle and sixth in the 50-yard freestyle.

Organ classes

Organ lessons will start at 9 a. m. to noon Tuesday in the studio of Ellie Ward, 380 W. Ninth St., Upland, under the sponsorship of the Chaffey College Community Education program.

Classes will be for levels one, two and three in organ instruction.

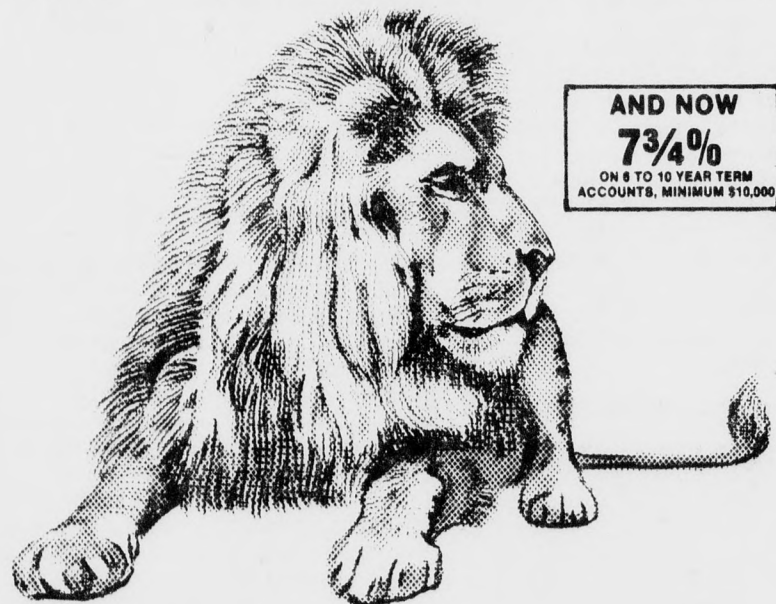

Another class will start on Thursday at 9 a. m. to noon, and an evening class will be held from 7 to 10 on Wednesday.

Registration will take place at the first class the studio selects to attend. Further information is available by calling Mrs. Ward at 985-6644.

Mrs. Tima Williams, school nurse for the Ontario-Montclair School District's federal projects, has been named this year's Honorary Service Award winner by De Anza Junior High School PTA. Mrs. Williams' duties are varied, ranging from creation and presentation of educational slide programs involving health to coordination of a program that provides hundreds of eye tests for children who otherwise wouldn't receive them.

Bicentennial committee determined for Upland

The Upland City Council has named Charles R. Adams, 1044 Winn Drive, Upland, as chairman of the city's American Revolution Bicentennial Committee.

The council also named 40 other Uplanders to the committee which will plan the bicentennial program in three areas: "Heritage '76," "Festival U.S.A.," and "Horizons '76."

The committee was selected by the council from names submitted by a cross section of organizations within the city.

Mayor Abner Haldeman said, "There will be many facets to the committee's operation, including a study of the history, the heritage, the meaning of our freedom as it was established under the Constitution, coupled with the history of the state and city."

He said the committee will be

charged with planning and coordinating the commemoration of the "epochal period of approximately 1765 to 1783."

Haldeman said the committee must raise its own funds for the bicentennial celebration. He said this would be done through voluntary contributions, the selling of bicentennial buttons and coins and other projects.

Haldeman said it will be up to the local committee to determine how much to spend on the project.

Other members of the committee are:

Mrs. Arthur Accomazzo, Charles Althouse, Jack Atwood, Mrs. Sue Ellen Barr, Mrs. Kathleen Bernath, Randy Bond, Rev. Alvin C. Burkholder, Mrs. Henry Busch, Mrs. Bruce Claffin, Mrs. George Cassell, John Cunningham, Carolyn Daniels, Larry Dilley, Forrest

Doucette, Mrs. Betty Dunning,

Rev. Robert Gillogly, Rev. Glenn Ginder, Mrs. Rosalie Kamansky, Dr. William F. King, Mrs. Ethel Lenhart, Mrs. Catherine L. Minnock, George Morris, Mrs. Edward Novell, Mrs. Beatrice Riggs, Richard Riley, Mrs. Winifred Scott, Mrs. Ruth Sheridan, James Smith, Ray Stump, Mrs. Elizabeth Sundell, Frank Splatt.

Fred Taunton, Clinton V. Thompson, Mrs. Katherine Thomson, Mrs. O. B. Thomson, John Vieg, Mrs. Joseph (Alta) Visnak, Steve Wagner, Robert Williams, Jerome Johnson.

Classes in dealing with elderly set

Dr. and Mrs. Dwight Smith of Claremont will conduct classes on "How to Work With the Aged" on four consecutive Monday nights, beginning April 7, at the Suntown Convalescent Hospital, 9620 Fremont Ave., Montclair.

The classes, to be held from 7 to 9 p.m. each Monday, will focus not only on volunteer work with the elderly, but also are designed to assist those persons who deal with the aged on a business level, such as hair dressers, bank tellers and grocery clerks.

The classes are sponsored by the Chaffey College Community Education program and are free.

Now retired residents of

Students in the Ontario-Upland area will have the opportunity to take part in the special E.I.R. speed reading-comprehension study habits course at the West End Y.M.C.A., 215 W. C St., Ontario.

The course will be conducted by the E.I.R. System under the supervision of reading specialist Dan Rosenwasser,

according to Guy E. Fish, physical director.

The E.I.R. courses will be open to adults, as well as students," Rosenwasser said, "because increases in reading speed, comprehension and study habits can benefit persons in every age group."

"Students are able to complete their homework

faster and understand their assignments better," Rosenwasser pointed out, "and adults reduce the time required to read various business documents and papers, saving valuable time for other business activity."

The course features a special study-habits kit which teaches students how to write term

papers, take exams, do school or business study reading effectively, take notes, and other items to increase study efficiency and comprehension.

The reading study program under the E.I.R. System is tailored to the individual requirements of each student. Results with more than 50,000 students in the last 18 years

have consistently shown from 300 to 1,000 per cent increase in reading speed with superior comprehension.

Further information on the new courses at the West End Y.M.C.A. can be obtained by calling the Y at 986-5847 or Rosenwasser at (213) 559-5700. Space is limited.

'California Couturier'

League's fashion show due April 7

"California Couturiers" will be featured on April 7 when the Assistance League of Upland holds its annual spring fashion show at Griswold's GOSH Pavilion, Claremont.

Following the 11:30 a.m. luncheon June Van Dyke Productions will present the fashion revue featuring the spring line designs of top designers: Werle Helga, Ernst Strauss, Phyllis Sues, Elizabeth Stewart and A & O Couture.

"Sanity returns to fashion," according to Miss Van Dyke, who describes the street wear, cocktail and evening dresses as "feminine and lovely" and the sportswear as "exciting." Also featured will be lingerie from La La, which specializes in peignoirs, and there also will be fashions for men.

According to Miss Van Dyke, special guest commentator for the show, the California Couturier showing will be making women look like women should.

Currently, Miss Van Dyke is doing two shows: one with Dionne Warwick and the other with Edith Head in Las Vegas, Nev. She has worked with many stars and presented collections of couture fashions in numerous places.

Mrs. John Taves, ways and means chairman, is expecting between 500 and 600 women to attend the annual event. Mrs. Alan MacCarthy Jr. is show chairman. Other chairmen are: the Mmes. C. Richard Day, invitations; Eugene DeYoung, treasurer; Robert Jensen and J.T. Waller, assistant treasurers; Dean Smothers, reservations; Thomas Harris, decorations; Philip Savage Jr., publicity; John Owen, aperitif; Barry Brandt, hostesses; Bruce Claffin, prizes; Donald White, ticket sales; Sidney Jones, special arrangements; and Del Hensley, acknowledgements.

Babysitting class set

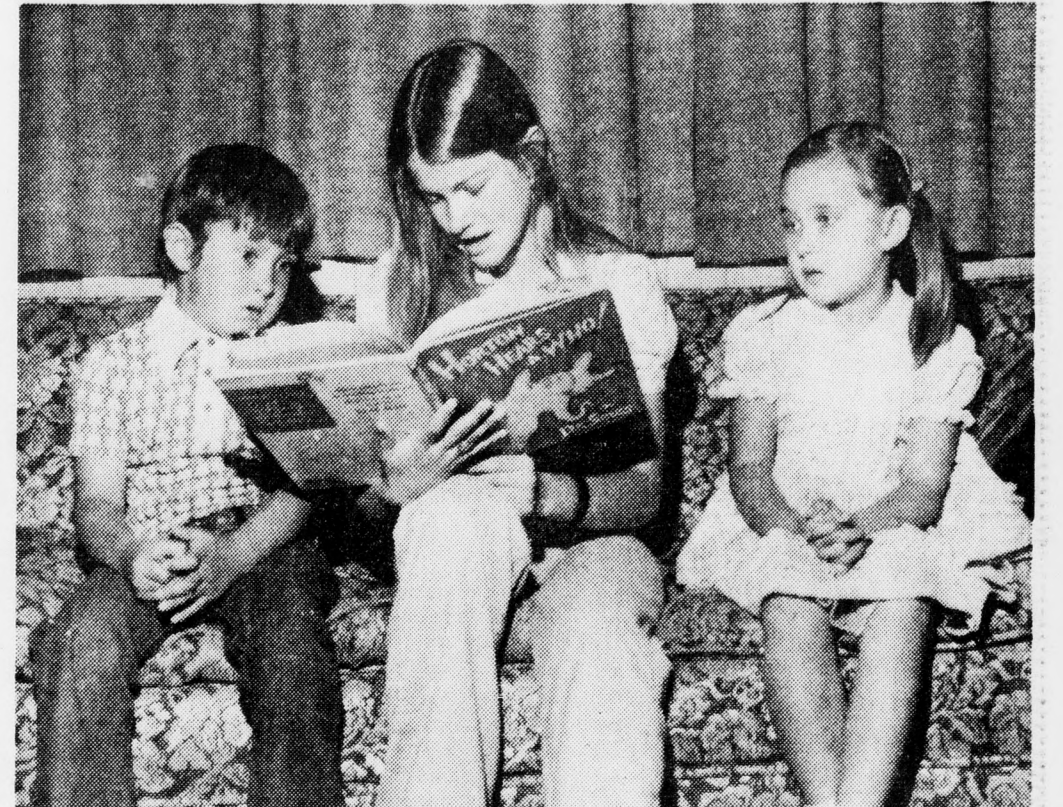

A babysitting class for girls and boys over 12 will begin April 19. The class is sponsored by the Alarms, wives of Foothill Fire District firemen.

Two sessions will be held April 19 and 26 from 9 a.m. to 12 noon, in the Youth Hut, Base Line Road and Vineyard Avenue, Cucamonga.

Care of children, the sitter's medical responsibilities to the parents and children, normal and problem behavior and legal responsibilities of babysitters will be covered by the classes.

Speakers from the fire and sheriff's departments will discuss the procedures to follow in cases of fire and prowlers.

Upon completion of both sessions, each pupil will be awarded a graduation certificate. The class is limited to 20 members. For information call Mrs. William Bryan at 987-5428.

BABY-SITTING CLASSES — Shelli Land (center) practices baby-sitting skills with David and Christina Couwenberg. A new set of classes, sponsored by the Alarms of Alta Loma, will begin 9 a.m.-noon April 19. Boys and girls are eligible for the class

which will cover care, behavior and entertainment of children, and emergency procedures. The course is limited to 20 people. To preregister call 987-5428. (Photo by Lynne Locke)

Classes in bus driving

Two classes for school bus drivers will be offered by Chaffey College in the old Upland city library building late in the spring quarter.

Completion of the tuition-free classes will enable participants to meet state requirements for school bus drivers certificates.

A class for beginners is scheduled from 7 until 10 p.m., Mondays and Wednesdays, from April 7 until May 7, with two Saturday sessions, April 26 and May 3. Certificates will be presented to those completing the 40-hour course.

There also will be a class for drivers seeking to renew their certificates. This class, a 10-hour course, is slated for 7 until 10 p.m., Wednesday and Thursday, June 4-5, and 9 a.m. until 1 p.m., Saturday, June 7. Registration for either class will be at the first session.

Many ways to use

Potato prices are down

During the past year consumer prices went up an average of 12.2 per cent, says the U.S. Dept. of Labor, but during that same time, potatoes actually declined 12.8 per cent in price. Currently, they are still in good supply and it's smart to know how many ways you can spice and cook this respected vegetable.

There are several reasons why potatoes take top honors as food for man. Not only are they easily grown in many parts of the world, but their blandness makes it possible for each country to season potatoes to suit national taste buds.

Black pepper, dehydrated onions and green pepper bits are popular seasonings for mashed, hashed or fried potatoes in this country. Basil is a delightful herb with potatoes. A dash of ground nutmeg is a marvelous addition to creamed potatoes.

You can make endless herbed or spiced butters for new potatoes. Melt 1/4 cup or more butter and stir in parsley flakes or marjoram or use about 1/2 teaspoonful curry powder or chili powder. Caraway or ground cumin seed or dill seed are delightful seasonings.

Dill and white pepper are used widely in potato cookery in Scandinavian countries. Germans love marjoram or caraway. Austrians and Hungarians enliven the potato flavor with onion, garlic, paprika, caraway and black pepper.

In oriental countries they curry potatoes. A half teaspoon curry powder stirred into the mayonnaise for about 6 portions of potato salad is an appetizing variation in any country.

From the test kitchens of the American Spice Trade Association come these two recipes for Herbed Hot Potato and Egg Salad and Nutmeg Potato Dumplings.

Herbed Hot Potato and Egg Salad

3 tablespoons butter or margarine
3 tablespoons flour
1-1/2 cups milk
2 teaspoons onion powder
1-1/2 teaspoons salt
1/2 teaspoon sage leaves, crumbled
1/4 teaspoon ground black pepper
1/2 cup mayonnaise
1/4 cup sweet pickle relish
4 cups hot cooked potato chunks
8 hard-cooked eggs, quartered
2 tablespoons sliced pimiento
In a medium saucepan melt butter. Stir in flour; cook and stir for 1 minute. Blend in milk, onion powder, salt, sage and black pepper; mix well. Cook and stir over moderate heat until mixture boils and thickens. Remove from heat and stir in

mayonnaise and pickle relish. Gently fold in potatoes and eggs. Garnish with pimiento. Serve as a main dish with a green vegetable and tossed salad. Yield: 4 portions.

Nutmeg Potato Dumplings
3-1/2 cups seasoned cold mashed potatoes

1 egg, lightly beaten
1 teaspoon salt
1 teaspoon onion powder
1/2 teaspoon ground nutmeg
2/3 cup all-purpose flour
1/4 cup cornstarch
In a medium bowl combine potatoes, egg, salt, onion powder and nutmeg. With hands

blend in flour and cornstarch. Shape into 2-inch balls. Drop half at a time into a pan of rapidly boiling water. Boil, uncovered for 5 minutes. Lift dumplings from water with a slotted spoon. Serve with pot roast or soup. Yield: 20 dumplings.

Herbed Potato Egg Salad is a team of flavors which erupts from the hot potatoes. The aroma of crumbled

sage and onion powder plus the spiciness of sweet pickle relish is really appealing.

Beef grading revisions should help

Stroud noted that the Meat Board is embarking on an educational program which will help the consumer understand how to use grades to best advantage. "Something we and government alike have been notably unsuccessful at since grading was introduced 48 years ago," he added. "But I think we comprehend the misunderstandings of consumers and their representatives and will try to better explain the system in future efforts," he said, adding that he anticipated the USDA would do the same.

The changes officially go into effect April 14. The category of beef graded "U.S. Choice" should be enlarged by the influx of slightly leaner, high value cattle which formerly graded on the "high" side of "U.S. Good," a lower value grade. But now there is provided an economic incentive for cattlemen to produce more beef for the Choice grade. . . the kind of beef that the consumer marketplace very clearly wants, the Meat Board says.

"We don't believe that consumers will notice any difference in taste or flavor of the expanded Choice grade, but, in fact, will find more of this type available with a generally lower fat content," Stroud promised.

A less obvious benefit to consumers, is the hope that the grade revisions will tend to stabilize what has been a roller coaster market for the industry and consumers, said Stroud.

It is estimated that cattle feeders will be able to cut back feeding periods by two weeks or more and still produce U.S. Choice graded beef. This means about 200 lbs. less grain per animal. . . and industry saving in excess of 5 billion lbs. of grain.

Beauty is reward of planning

Midst all the turmoil and worry over the energy shortage and economic crisis, the joy of

spring almost is upon us. This season, many of us are more aware than ever of the benefits

of having a garden. The more time we spend in enjoying our garden, the less time we need to spend away from home. That saves on gasoline and many other away-from-home costs.

While all of us are aware of the rewards of vegetables fresh from the garden and the resulting financial savings, we also have an inner desire to be surrounded by beauty. Among the different kinds of flowers that can be planted with a vegetable garden, gladioli are among the most admirably suited. Gladioli brighten up a vegetable garden — they add beauty to this spot and at the same time provide a cutting patch for indoor decoration. Their colorful, long-lasting spikes add marked interest to any type of garden setting.

Without question the safest buys for the home gardener of the many varieties of gladioli are the All-America Gladioli Selections award winners. For 1975, the three gladioli chosen by the AAGS judges are Green Lilac, an exotically colored orchid-lavender with chartreuse green lip petals; Highstyle, a needlepointed medium rose with a prominent cream-white throat; and

Summer Snow, an exquisitely beautiful white with gracefully recurved florets. For 1974, the All-America introductions were Fire Chief, a real fire-engine red, tall and robust, and Navy Blue, a velvety, deep blue-violet that produces long flowerheads on strong, easy growing plants. The complete list of the All-America winners consists of not only an inexhaustible range of color but of many sizes and exquisite forms. There are giants down to tiny miniatures.

Some of the flowers are beautifully ruffled, some plain petaled, and some recurved. Whatever one's needs or likes, there are varieties to fill them. All-America gladioli are tested and approved for home gardeners by the AAGS judges who donate their time and garden space to the testing program. There's still time to get these garden-tested gladioli

for planting this year if you place your order without delay. They are sold by many of the leading mail order catalogue firms and by local garden supply stores.

The garden that includes a bounty of fresh vegetables and the beauty of flowers has rewards for everyone in the family. All can participate, and all can enjoy the benefits.

Perennials bloom year in, year-out

Perennial flowers provide the gardener with some of his most colorful garden material. Perennials also are highly practical because they keep on blooming year after year.

A recommended planting time for perennials is in fall, but quicker results can be obtained by planting established perennial clumps from nursery containers in spring. Planting now provides instant color for the spring garden.

Nurseries generally have now or will have soon, sturdy clumps of delphinium that can be brought into bloom in a matter of a few weeks. Primroses are full of bloom right now and need only to be

Begonias, dahlias, gladioli

Bulbs can do nice things for the summer garden

Some of the nicest things that happen to a garden in summer come from bulbs. Tuberous begonias, dahlias, cannas and gladioli are all colorful candidates for bloom during the warm months. And, if you plant them now, you can enjoy them to the fullest.

Perhaps the most exotic of these are the tuberous begonias. Available in a myriad of forms and colors, they do well in shaded borders, or in pots — for portable color.

Begonias are available three different ways. Tubers (bulbs) still may be purchased, though

supplies will soon be dwindling in nurseries. Tubers should be planted in flats of peat moss, leaf mold and sand until their tops have developed leaves. When they are about three inches high, transplant them into the garden or into pots. Nurseries also have tubers already started in containers, for easy transplanting. The third way you'll find begonias is in seedling form. By late March and early April, nurseries normally have begonia seedlings available.

Tuberous begonias thrive in a partially shaded location. Your nurseryman can recommend a

Dahlias put on their own color carnival — from summer into fall. Available in many forms, from small pompoms to dinner-plate giants, dahlias produce until frost cuts them short. For decorating and highlighting the landscape — general garden use — the smaller flowering dahlias may be the best to use. However, every gardener owes himself at least a few of the tall, exhibition types.

There is nothing easier to grow than gladioli. They provide brilliant splashes of color in the garden for months.

Housing slump will not abate

SAN FRANCISCO — (BW) — Although large savings inflows into savings and loan associations traditionally translate into a stimulus for residential financing and funds for construction, the record inflows of early 1975 are not expected to revitalize the housing industry soon, according to The Federal Home Loan Bank of San Francisco in its monthly periodical, "Commentary."

"It is unlikely that 1975 national housing starts will reach even the relatively low 1974 level of 1.3 million units," the bank said.

"The beginning of a construction upturn will not only be modest, but fragile, and subject to damage if government and private borrowers begin competing heavily for financial

resources, which in turn could lead to significantly higher interest rates during the latter part of 1975 or early 1976.

"Accordingly, in contrast with previous national business cycles, housing is not likely to lead an upturn in real gross national product in the forthcoming economic recovery. Instead, the course of housing probably will coincide with the recovery generally."

The bank cited housing inventory figures as particularly important because new construction is unlikely to pick up until the existing housing stock has been drawn down substantially.

The current inventory is estimated at 400,000 unsold single-family homes and 250,000 to 300,000 condominiums nationally.

Computers will reveal the lighter side of life

Computers are not always businesslike and formal.

"Lazarus" and "Golem," the computer systems which will be on display during Poly Vue — the annual open house at California State Polytechnic University, Pomona — April 18 through April 20, reveal the lighter side of computer life. While Lazarus plays the theme song from "The Sting" and the "Blue Danube" waltz, performs a tape dance and gives a light show, Golem talks and

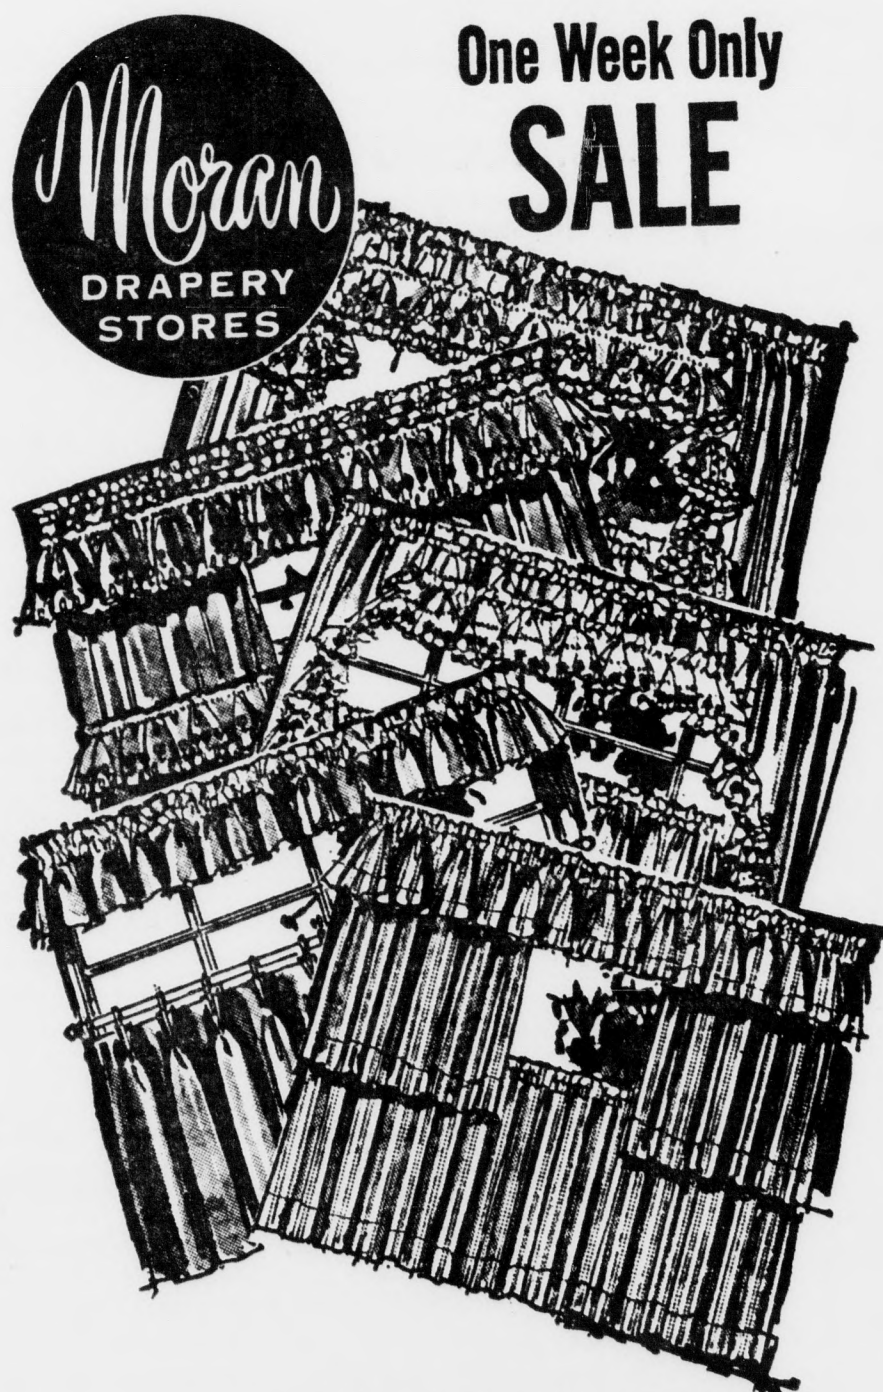

draws pictures on its screen. Both play tic tac toe.

The computers were named Lazarus and Golem to reflect that they have been revived from the dead — that is, rejuvenated — by Cal Poly students in electrical and electronics engineering, engineering technology and data processing.

Lazarus, a 15-year-old GE 210 system, was revived in 1971. Students created the extensive electronics system by incor-

porating four systems into one. Security Pacific National Bank in Los Angeles and the Valley National Bank in Phoenix each donated a computer system. Golem, a 10-year-old computer donated by Xerox Data Systems, was revived in 1973.

Although the business world regarded Lazarus and Golem as obsolete, they are still functional. During the school year, Lazarus is used to teach maintenance of a computer and Golem is used to teach maintenance.

Audience participation sought

The Sunday afternoon concert on April 27 at Bridges Hall of Music will be devoted to a program of requests by the listeners, patrons, friends, and

all former audiences of the Claremont Symphony Orchestra.

The theme as suggested by the conductor of the Symphony, should be Life, Romance, and Spring. The orchestra invites everyone to either mail in their request or telephone. Send a postcard to Claremont Symphony Orchestra, 2080 No. Mountain Ave., Claremont, 91711, or telephone 624-9041, Ext. 224 or 225. Grace Ranck. We would like to have you jot down your favorite musical composition that you would like to hear at this concert (be sure you give exact title and composer). Music can be light or classical. Upon receipt of all this information we will tabulate and then choose the two or three most frequently requested selections. Depending upon the availability of the music, we will perform these numbers at the April 27 concert.

Variety of amusement scheduled

POMONA — Southlanders seeking a wide variety of entertainment during April will find a lot of it at the Los Angeles County Fairgrounds, and most of it free!

Opening the month on Saturday and Sunday, April 5 and 6, will be the Whittier Exchange Club benefit horse show in the Carnation Ring. On that Saturday Kavanagh Sales Company will conduct an Appaloosa horse auction.

Sunday April 6, the Southern California Roller Club will hold a pigeon show. The Pacific Coast Bantam Club will present a Bantam show on Sunday, April 13.

Winding up the month will be the California School Employees Association Bus Ride on April 26, and the San Andreas Feline Fanciers Cat show Saturday and Sunday, April 26 and 27.

Nominal admission will be charged for the Pomona Athletic League SPAU Boxing Saturday, April 26.

Gallery auditions to be held

Auditions will be held Saturday from 4 to 6 p.m. at the Gallery Theatre, corner of "C" St. and Lemon, Ontario for the next production of the Peanut Gallery, "Snow White and the Seven Dwarfs." The Peanut Gallery is also looking for singers, dancers, magicians, jugglers, animal tricks, comedians, etc. for the variety acts. Currently playing at the Peanut Gallery is "Androcles and the Lion" plus variety acts. This production is presented each Saturday afternoon at 1 p.m. Fun for the young and old.

Comedy in rehearsal at Gallery

The comedy "SIX RMS RIV VU" (Six Rooms River View), by Bob Randall, has been cast and is now in rehearsals at the Gallery Theatre in Ontario, corner of "C" St. and Lemon. "SIX RMS RIV VU" takes place in a vacant apartment with a river view, open for inspection by prospective tenants, and among them are a man and a woman who have never met before. They are the last to leave and, when they get ready to depart, they find the door is locked and they are shut in. Since they are attractive young people, they find each other very interesting and the unusual situation makes for one hilarious comedy.

Included in the cast are: Donna Sweeney, Shawn Fesler, Colleen Riggs, George Tritipo, Lavinia Smith, George Lightner, Lynda James, and Donald Bazzell. The show is scheduled to open April 25th and club bookings are now being taken.

Currently playing at the Gallery is the Musical comedy "Bye Bye Birdie." Tickets are available and reservations are made by calling 982-5357.

Black scene presented

"Walk Together Children," the Black scene in poetry, prose and song, will be presented by Vinie Burrows on Monday, April 14 at 8 p.m. in The Claremont Colleges' Garrison Theater.

Taken from both traditional sources and the works of such modern writers as Richard Wright and Langston Hughes, the show and its one-woman star received critical acclaim

in New York recently and made a successful European tour.

Burrows, a graduate of New York University, made her debut with Helen Hayes in "The Wisteria Trees" and has been in six other Broadway shows.

The presentation at Claremont is under the auspices of the Six-College Public Events Committee, and no admission will be charged.

Cal Poly jazz festival slated

Five University jazz bands, two high school and one junior high school jazz band as well as a special guest soloist will participate in the third Cal Poly Jazz Festival on Saturday, April 5 between noon and 7 p.m. at the Cal Poly University Theater, Pomona. The festival is non-competitive and it promises to be an afternoon of fun and sounds with student musicians doing their own thing in an atmosphere of relaxed cordiality and camaraderie. Admission is \$2 for general admission and \$1 for students with I.D. from any school.

The guest soloist will be vibraphonist Stan Gibb who has recently joined the Cal Poly music faculty from North Texas State University where he taught for three years and is currently working on his doctorate. Gibb will perform with a trio consisting of vibes, bass and drums before he is joined on stage by one of Cal Poly's select jazz ensembles for several selections. His final two numbers will be "Prime Light," an original by Paul Williams who is a student at Cal Poly, and "Scintigibbation," a blues by John DeFoor. Stan Gibb's appearance promises to be a high-light of this year's jazz festival.

The student bands will perform for approximately thirty to forty-five minutes apiece beginning at noon and concluding about 7 p.m. The first will be the host band, the Cal

Poly Jazz Band under the direction of John DeFoor. Next, the Monrovia Middle School Jazz Ensemble directed by Michael Fleming, followed by the West Covina High School Jazz Band and director John Barnhart. Stan Gibb's guest slot is next in line before Time Machine from Cal Poly performs. The next two entries are both from Los Angeles City College under the direction of Dr. Woody James and Dr. Don Simpson. And finally the afternoon will be concluded by Cal Poly's third performance group of the day.

The whole afternoon promises to be a treat for jazz lovers so don't miss it!

Film look at Norway

As impressive as Norway's fjords is John Roberts' filmed narration of "The New Norway," which is part of the "The World at Your Door" series, to be presented by Mt. San Antonio College Tuesday, April 8, at 8 p.m. in the Social Science Center — 101.

In sharply caught scene after color scene this excellent guide will take you to Norway's better and not-so-well-known scenic vistas, along the streets of its big cities and its quaint villages, showing king and commoner.

'GODSPELL' — C. Mack Gilliland as John the Baptist and Nick Haaybaer as Jesus rehearse a scene from the Valley Community Theater's production of

"Godspell" showing 8:30 p.m. Fridays and Saturdays through April 19. Call 622-6954 for reservations.

Pleasure Faire at Paramount Ranch

Prepare ye for merriment for 'tis the time of Pleasure Faire! Amid the setting of the Old Paramount Ranch in Agoura, California (near Los Angeles), springs a marketplace of Merry Old England... 400 years removed... where Queens and executioners do walk; parades and processions do proclaim the coming of revelry at Faire; and wenches and knights do frolic to song and dance.

A time of old re-created in all its grandeur and simplicity for those who would seek unequalled excitement is the 13th Annual Pleasure Faire & Springtime Market holding forth six weekends, April 19 through May 25.

The sounds of the horn and the ringing of the market bells do proclaim the opening of Pleasure Faire at 10 a.m. as Lords and Ladies, peasants and knights, maidens and bawds take to the six stages within to delight, entice and entrance all fairegoers with songs, dances and plays of the period.

The Queen visits Her subjects at 3 p.m. making Her way through The Faire to the Great

Maybower Theatre where She does hear petitions from Her subjects; Her Herald proclaiming new laws and where She views a diversity of entertainments enacted by Her loyal subjects.

And 'round about this recreation unique, one may encounter Robin Hood or Shakespeare; the Queen's executioner or the village hunchback; tourbadoours or mimes; jugglers or puppeteers; giants cavorting in parade or townsfolk "in pillory" bemoaning their state.

Almost anything and everything which existed in 16th century England might be found amid the setting of the Pleasure Faire, including some 200 craftsmen demonstrating their wares in Renaissance fashion and over three dozen caterers hawking the foods that once graced the tables of lords and peasants alike.

Entertainment, crafts and foods, all in a setting of colorful stalls and streets and theatres — these are what make The Pleasure Faire a most thoroughly realistic way to step back 400 years to another time.

Whiplash! Threat To The Innocent Repeated

By DR. W. P. HELZER, D.C.

I have warned for some time now of the severe consequences of the whiplash injury. Because of this concern I would like to report on a newspaper column by Dr. P. J. Steincrohn.

We need more, many more, articles such as the one by Dr. Steincrohn, under the column "A Doctor's Views," on this serious whiplash problem.

I would like to repeat here as much of the article as space will permit.

"Whiplash! It deserves an exclamation point. Of all injuries it is near the head of the list in its lightning-like strike at the innocent.

"When you are driving your car you are at least semi-tense and mentally alert. But when you sit quietly waiting for a light to change, completely relaxed physically and mentally, you are at the mercy of the sudden, sickening jolt from behind which lashes your head backward (or backward and forward) on the top of your spine.

"The result is an acceleration injury. Although it is true that some complications are a convenient and imaginary damage which serves as a basis for litigation, you can be sure that in most instances the innocent sufferer has sustained painful after effects which may last for

months or years. (Even though litigation is over and X-rays and other examinations may not uncover evidence of damage).

"Injury may be caused even in low velocity accidents because the head and neck accelerate with much greater speed and force than the car itself. Studies continue to be made on the causes and management of whiplash (extensive-flexion injury to the neck). Even rabbits and monkeys are being used in experiments. These already indicate that microscopic evidence of nervous system hemorrhage in the cervical (neck) spine may occur even when X-rays fail to disclose any major injury.

"In rabbits, investigators found that there was also damage to the middle ear—which may be one reason why, in humans, there are complaints of dizziness, headaches and loss of equilibrium. Other symptoms are blurring of vision, nausea, and of course neck pain, muscular spasm and limitation of neck motion . . .

"One way to prevent serious injuries is to have specially built car seat extensions to lessen sudden extension-flexion of the neck. But until we do we can only hope and pray that some careless driver doesn't give us a sudden shove from behind and the consequent "pain in the neck."

(Note: Dr. Helzer maintains chiropractic offices at 108 East H Street, Ontario, telephone: 983-1711). (C) ARS 1975

New members sought

Right to Life seeks expanded participation

The Pomona Valley/West End Right To Life League is soliciting new members in order to make more services and educational programs available for the community. These services will include an expanded speaker's bureau, a committee to distribute educational materials to schools, churches, and libraries, and a committee to establish a pro life center in the area.

John Stanelly, chairman of the local league, said, "We have just completed a successful training session which provided us with a substantial number of listeners for telephone counseling service to assist girls with problem pregnancies. We hope now to establish a mini center which will employ a social worker several days a week and will work with the Lifeline to provide more effective and convenient services to those who seek alternatives to abortion. These services will include immediate counseling and tests to confirm the pregnancy."

Stanley, who also serves as an officer of the Southern California Right To Life League in Los Angeles, of which the

local league is a chapter, says that centers have been opened in Northridge, Santa Ana and Whittier. At the present time, the Whittier center will accept girls from the Pomona Valley/West End area, but the local league needs its own facility. The Southern California League is looking forward to having such service available in each of its 14 chapters.

Stanley said, "Our big problem in this area is funding. We have had an offer from one local organization to make a contribution toward the annual cost which is estimated at \$8,000. We hope to enlarge our membership and set up a committee who will solicit donations from local churches and other groups who might want to be supportive of girls who choose life for their babies."

Anyone in the area who might want to help may call Stanley at 629-5763.

The speaker's bureau, which provides educational programs for schools and other groups, needs more volunteers to continue its program. A training session is planned in the near future.

Social security deadline noted

Students and other people planning to get summer jobs should apply during April for a social security number if they don't have one, according to A. Lorraine Brannen, social security district manager in Pomona.

People can get information about applying for a social security number by calling, writing, or visiting any social security office. More than nine

out of 10 jobs are covered by social security.

People applying for a social security number for the first time may be asked to prove their age, identity and citizenship, according to Brannen.

The Pomona social security office is at 445 E. Holt Ave., Pomona. The phone number is 629-4021.

Mine trek, liar's contest revived at desert park

The annual Pegleg Mine trek and liar's contest in Anza-Borrego Desert State Park, east of San Diego, will be revived Friday through Sunday after a 20-year lapse, according to State Park Area Manager Bud Getty. All events will start

at Pegleg Monument, a big pile of rocks five miles northeast of Borrego Springs.

The festivities will start at 7 p.m. Friday with a campfire and the first half of the liar's contest. Treasure seekers will gather at 8:30 a.m. Saturday,

and guided tours will be conducted during the day by park rangers and area residents. Another campfire and the final liar's contest will be held at 7:30 p.m. Saturday. More activities on Sunday morning are to be announced.

The "Lost Pegleg Mine" is one of the most famous of the "lost mines" of the Southwest. It is said to have been discovered by a one-legged miner named Pegleg Smith in the early 19th Century. Thomas Long (Pegleg) Smith was born in 1801, began his mountain-man career as a trapper in 1820, lost his left leg in 1827 when it was shattered by an arrow during an Indian attack, claimed to have found a rich gold mine in the Anza-Borrego area in 1829, and died in 1866 after spending many years telling fabulous tales of his mountain and desert wanderings and his gold find.

The Pegleg Smith Club, composed of Borrego Valley residents who liked to tell tall tales, was formed in 1916 by Harry Oliver, a self-proclaimed press agent for Pegleg Smith.

The first liar's contest was won by Roy Hicks.

Housing starts decline noted

New housing starts in California for February were down from the previous month and down by more than half from February 1974, according to Bank of America.

Today's Treasures

Quest for answers

By Jean Barnes

I am enclosing a picture of a small pitcher that's been in our family for years. Can you tell me anything about it? — C.C.D., Winfield, Kan.

This looks like a piece of Gaudy Dutch earthenware. You did not mention the color of your piece but Gaudy Dutch was brightly decorated with primary colors — red, blue, yellow. It was made in Staffordshire, England, in the early part of the 19th century principally for the American market.

I'm not a collector but I have a pressed blue milk glass owl pitcher about six inches high. My mother said it was made by Boston and Sandwich Glass Co., owned by Deming Jarves from 1825 to 1888. Grandma received the owl from her mother in 1900. The owl is in perfect

condition except for the missing glass eyes. Could you give me the value of this pitcher and any other information? — L.C., Somerset, Ky.

You do have a treasure and I recommend that you have it appraised by a qualified, reliable appraiser if you want a monetary evaluation.

Deming Jarves was a shrewd businessman who started a glass manufactory at Sandwich, Mass., in 1825. About a year later, he incorporated with other businessmen as the Boston and Sandwich Glass Co. Jarves was among the first to receive patents on the pressing of glass and early Sandwich examples are rare outside of museums or private collections.

There has been a wealth of material published on this glass

works and your local library would be a good source of more detailed information.

Could you identify the make and possible age of a rather heavy porcelain jewel box that came into our possession recently? The box is blue and each side has raised gold filigree. The inside is white with a spray of flowers. The mark on the bottom of the box is a scroll that looks like two crossed scrolls. — G.J.G., Fort Hood, Tex.

Without seeing the box, I can't determine its identity with certainty. But, from the sketch of the marking, I would guess it is a piece of Sevres porcelain. With this possibility, you may want to take the box to an appraiser for more accurate information concerning its age and value.

Church News

'Children of the Day'

"The Children of the Day" will perform in concert at the Ramona Avenue Christian Church, corner of Ramona and Juanita avenues, La Verne 7:30 p.m. Wednesday, April 9. There will be no admission charge.

Members of the group grew up in the Pomona Valley area and graduated from Claremont High School and Azusa Pacific College. Composers of their own music, they have cut two record albums. They have performed in many parts of the world, including Europe and Israel.

The group is comprised of Peter Jacobs, Russ and Marcia Stevens and Wendy Fremin.

Chapel Choir

The Hope College Chapel Choir of Holland, Mich. will present a concert of sacred music 7:30 p.m. Tuesday, April 8 at Valley Community Drive-In Church, Lone Hill Avenue and Covina Blvd., San Dimas, according to Pastor Melvin De Vries.

The 65-voice choir, under the direction of Robert W. Cavanaugh, will appear as a part of its annual spring tour. This year the choir will perform in Michigan, Illinois, Iowa, Colorado, New Mexico, Arizona and California.

The music presented at the concert will consist of sacred compositions. The variety of composers, styles and periods will make the concert appeal to both younger and older generations. Music has been part of the heritage of Hope College from its founding in 1862. Today Hope is recognized as having one of the fine small college music programs in the nation.

A member of the National Association of Schools of Music, Hope offers the degrees of Bachelor of Music in vocal and instrumental music education and in music performance as well as the Bachelor of Arts with majors in music history and music theory.

Westmont United Methodist

Dr. G. Merrill Lenox, broadcasting consultant for the Pomona Valley Council of Churches and minister of administration for the Claremont United Methodist Church, will preach at the Westmont United Methodist Church, 1781 Ninth St., Pomona Sunday at the 10:30 a.m. service. His topic will be "The Tragedy of Growing Tired."

Dr. Lenox is heard regularly on the program "Religion in Action" over KKR radio on Sunday mornings. He has long and varied broadcasting experience, having appeared on a number of national radio and television programs.

He was the executive director of the nationally known Metropolitan Detroit Council of Churches for 21 years, during which time he was appointed by four governors to state-wide commissions. He is the author of "Christian Unity and Mission."

A world traveler, Dr. Lenox has visited 25 countries on four continents, which tours he described in weekly columns in the "Detroit Free Press."

Christian Chapel

The Messengers of Faith are coming to Christian Chapel, 1920 S. Brea Canyon Cutoff in Walnut 6 p.m. Sunday. From their home base of Escondido, they have traveled throughout the Southern California area for the past two years. They do a wide variety of gospel music with an exciting style. Their latest album is entitled "Let's Just Praise the Lord." Special guest speaker at Christian Chapel Sunday evening will be Father Pat Crowley, Chaplain at Pacific State Hospital and popular leader in the charismatic renewal and ecumenical ministry of the Holy Spirit.

La Verne WCTU

The La Verne Woman's Christian Temperance Union will meet 2 p.m. Tuesday, April 8 in Breon Chapel at West Hill crest. In conjunction with Youth Temperance Education Week April 20-26, the meeting's theme will be "Youth on the Horizon."

Devotions will be led by Mrs. Truman Northup. La Verne College student, Diane Shively, will play a violin solo. Susan Shull, education director, will show two filmstrips used in the Bonita Unified School District — "Tobacco — Who Needs It?" and "Drugs — Kicks or Killers." Posters by school children will be displayed.

Women's Aglow

The Walnut-Diamond Bar Chapter of Women's Aglow has announced that Nancy Spillman, wife of evangelist Jim Spillman, will be the guest speaker 9:30 a.m. Wednesday, April 9 at the Diamond Bar Country Club, 22801 Golden Springs Dr., Diamond Bar. Cost for coffee and rolls is \$1.

For reservations, call Cecile Smith (714) 595-1450, or Becky Cravens (213) 964-9535. Babysitting is provided at Christian Chapel, 1920 Brea Canyon Cutoff, Walnut. Donation of 50 cents is asked to help defray the cost.

Pomona Valley Council of Churches

Church administration workshop set

A workshop program valuable to people in several aspects of church administration responsibility will be offered under the sponsorship of the Pomona Valley Council of Churches 9-11:45 a.m. Saturday, April 12 at the First Church of God, 1233 E. Kingsley Ave., Pomona.

Separate sessions are planned in the following areas: taxation and church uses; insurance; purchasing; security and police protection; and safety and fire prevention.

Resource leaders in these fields will include A.A. Wright, taxation; Ralph Smith, insurance; Gene Templeton,

purchasing; officer H. Fox, police protection; and Capt. James Jamison, fire protection.

Also assisting in the leadership of the workshop will be the Rev. Frank Howell, Mrs. Marj Souther, Howard Morter and Ron Maw, who will chair each workshop; Harlan

Goodrich, Maxine Douglas, Doris Beckett, Harold Fasnacht, and the Rev. Stanley Creighton, who will act as recorders.

The workshop itself calls for registration to begin at 8:30 a.m. and the session to start promptly at 9 a.m. Since effective presentation of each of these concerns will require the full time, it will be necessary for churches to have five representatives there to be fully informed. A presentation will be made and following a coffee break time. There will be opportunities for questions and discussion.

The cost for this event is \$1 per person up to five per church. For more than five participants, the maximum fee is \$5 per church.

Reservations may be made by writing to Dawn Smith, Pomona Valley Council of Churches, 1753 N. Park Ave.,

Pomona, Calif. 91768. Interested persons should indicate the workshop they are interested in and enclose the fee. Forations or information, call the office, 622-3806.

For local clergymen

Marriage seminar set for April 10

San Bernardino County Superior Court Judge Kenneth G. Ziebarth has announced that a seminar on "Marriage Renewal and Enrichment" will be held for clergy of all denominations 9 a.m.-4 p.m. Thursday, April 10 at St. Paul's Methodist Church, San Bernardino.

Seminar leader will be Dr. Paul Schurman, assistant professor of pastoral counseling at the Claremont Men's College School of Theology. Schurman has an extensive background in both clergy training and marital enrichment.

Judge Ziebarth, supervising judge of the family law department and conciliation court, will speak on "Superior

Court—How it Effects the Family." Schurman will address the question, "Are We Missing Opportunities to Strengthen Family Life?"

Other topics will include "Marriage and Encounter Groups," "Mormon Family Emphasis," "Premarital Program USAF," and "The Family Cluster Program."

Preregistration through Friday including lunch, is \$5 and may be obtained by contacting the conciliation court, 383-1866.

Judge Ziebarth said the seminar has been planned as a result of recent legislation on family law and particularly premarital counseling of minors needing parental consent to marry.

Theology school seeks funds for professorship

The School of Theology at Claremont and its board of trustees, to provide a permanent annual income necessary to underwrite the costs of its Gerald Kennedy Chair of Preaching, presently is seeking to raise an endowed fund of \$500,000. This chair will become the first permanently endowed professorship in the school's history.

To kickoff the campaign to fund the Kennedy Chair, the United Methodist Church of Laguna Hills hosted a dinner March 4. At the dinner, Marion R. Walker of Ventura, chairman of the committee to raise the funds, was able to announce leadership gifts which were in excess of \$60,000.

In addition, the Laguna Hills community itself already has raised \$15,000 for the Kennedy Chair. This dinner was the first in a series of dinners to be held in many other parts of the Southwest.

Bishop Gerald Kennedy, for who the professorship is named, is considered to have been one of the finest American preachers of the past quarter-century.

In his concept of how the church should relate itself to its people, the role of preaching was crucial. He saw the minister as one who, in his preaching, could communicate the vast personal, spiritual and moral resources of the Christian faith which provide the fulfillment of real human poten-

tial. And by bringing an animated, conversational style of preaching back into the modern pulpit, Bishop Kennedy in fact helped to change the style of American religious communicators.

Dr. K. Morgan Edwards, as the first Gerald Kennedy Professor of Preaching, is bringing distinction to the position and to the school. At the dinner, Dr. Edwards spoke on the topic, "Who wants to hear a preacher?"

The School of Theology not only prepares effective preachers and pastors, more than 80 per cent of its graduates have entered the Christian ministry but also helps up-date the skills of active parish clergy, by providing a program of continuing education for pastors.

Members of the Gerald Kennedy Chair of Preaching Committee include Marion R. Walker, chairman, Ventura; Charles R. Allen, Dr. John W. Black, Dr. Buford A. Dickinson, Dr. Gordon E. Michelson, Claremont; Dr. Theodore H. Palmquist, Laguna Hills; Lawrence T. Cooper, Walter R. Hoeftlin, San Marino; Elizabeth Dunham, the Rev. George M. Mann, Pasadena; Dr. Will M. Hildebrand, Howard E. Nevenen, Los Angeles; Dr. Frank W. Butterworth, Phoenix, Arizona; Dr. Clarence J. Forsberg, Lincoln, Nebraska; Dr. J. Wesley Hole, San Clemente; the Rev. Harry S. Komuro, Honolulu.

Hawaii; Roger M. Stewart, La Jolla; and the Rev. Paul Woudenberg, Santa Monica.

Honorary members include the College of Bishops of the Western Jurisdiction of the United Methodist Church.

A Bicentennial Memorial Garden will soon enhance the grounds of the La Verne United Methodist Church, announced Mrs. Alex Mueller.

United Methodist Youth, under the direction of Don Fankhauser, prepared the soil for planting and dug trenches for electrical conduits and water pipes during Easter vacation.

Designed by Wayne Romanek, California State

Prevention is the best medicine. The American Heart Association wants to stop heart disease before it starts. By switching to a heart-healthy lifestyle, you can reduce your risk. Ask your local Heart Association. And give to the Heart Fund.

Polytechnic University, Pomona landscape student, the garden will screen unused property from the present church facility. Plant material will give a variety of seasoned color and lead pattern and will be a real addition to the community, Mrs. Mueller said.

Funds for the project were allocated by the church memorial committee.

Adults helping with the project included Paul Boettcher, Glenn Hall and Randy Walters.

Youth workers were Lisa Fankhauser, Paula Boettcher, Suzie Studley, Tami Taylor, Shirwin Schnell, Brian Fankhauser, John Simpson, Larry Jones, George Williams, Brent Fankhauser, Jodi Markland, Pam Masters and Barry Boettcher.

Spring is goodfood

Some joys of spring are the beautiful fresh foods, lighter menus and lunching on the patio.

This elegant entree has the savory taste of a classic quiche from crumbled bacon, eggs and milk. But instead of a highly caloric pastry crust, the pan

bottom is lined with fresh asparagus spears and accenting ribbons of red pimiento. Barely precook the asparagus for crispness and bright color.

A standard eleven by seven-inch baking dish is just right to hold the recipe. When the baked loaf comes out of the oven, in-

vert onto a pretty tray and garnish with warmed sour cream, cherry tomatoes and watercress. Additional sour cream passed at the table along with freshly made muffins and butter completes the menu.

Dairy foods are used not only for their great nutritional

benefits but for their wonderful freshness of appearance, aroma and flavor as well. To keep all dairy products at peak condition, store them covered, in the original containers or wrappings, in the refrigerator and use within a reasonable length of time.

Add newness to your spring menus by selecting some of the dairy foods you don't use regularly. If you haven't shopped the yogurt case lately — make a point to stop by and try some of the new flavors. The fruit flavors come in all hues of a rainbow.

Asparagus Loaf With Sour Cream
1 pound fresh asparagus*
Boiling salted water
Pimiento strips
3 slices bacon
1/4 cup butter
1/3 cup flour
1/2 teaspoon salt
1/2 teaspoon thyme
1 1/2 cups milk
1 tablespoon prepared yellow mustard
5 eggs, separated
1 cup dairy sour cream

Break off woody ends of asparagus. Drop asparagus into boiling salted water and boil gently 3 minutes. Drain. Arrange asparagus and pimiento strips in bottom of 11x7-inch baking dish. Fry bacon gently in skillet. Remove from pan, drain and crumble. Add butter to bacon fat in pan. Heat until melted. Mix in flour, salt and thyme. Stir in milk. Cook, stirring until sauce boils and thickens. Stir in mustard. Beat egg yolks in small bowl. Stir in a little hot sauce then combine with remaining sauce in pan. Remove from heat. Fold in egg whites beaten until stiff. Pour over asparagus. Set baking dish in pan of hot water. Bake in 350 degree oven 40 minutes or until a pick inserted into center comes out dry. Loosen edges with knife. Invert onto plate. Heat sour cream gently. Pass with loaf. Makes 6 servings.

*1 (8-ounce) package frozen asparagus stalks may be used. Partially thaw and separate.

Asparagus is the sign of spring and topping a golden diary loaf, it is a marvelous meal. Full of good nutritional value and

freshness of flavor, the Asparagus Loaf with Soup Cream is a fine dish for family and friends. Try it soon.

Travel series

South Seas film trip will be seen in Claremont

Twain would rap today's conformity

"If Mark Twain were alive today, there might have been a lot he liked. But there's one thing he sure-as-shootin' would have loathed — and that's computerized conformity!"

The speaker is a chap who knows Mark Twain well: Hal Holbrook, star of "Mark Twain Tonight!" which comes to The Claremont Colleges' Bridges Auditorium on Saturday, April 12 at 8:15 p.m. Holbrook has not only portrayed the caustic old American humorist thousands of times — literally! — on stages throughout the world, but has spent nearly two decades studying Twain's life, works, ideas, and thought processes. When Holbrook pretends to be Twain at 70 in the one-man show, his performance goes a lot deeper

than the latex skin he's wearing.

"Twain," Holbrook says, "had an individualism and a passion the like of which we don't often see today. These qualities seem almost lost in most people. Twain argued for things like civil rights. He attacked politicians and the medical profession. He never believed in something because it was fashionable or expedient to do so, and he used his sharp wit as a weapon to carve up plenty of sacred cows."

In spite of the fact that Twain was a very cynical old party indeed, Holbrook says that the author believed deeply in principles.

For ticket information call 626-4523.

"Tahiti and Islands of the South Seas," the sixth presentation of the Claremont Travel Film Series for the 21st season, will take place at 2 and 8 p.m. Friday at Garrison Theater, Claremont.

The film, narrated by Philip Walker, is the story of French Polynesia and the Galapagos Islands made on a sea voyage in a 50-foot ketch from Carmel, Calif., to Tahiti.

Featured are the people of the South Seas, their social lives and customs. Ports of call will include Tahiti, Bora Bora, Moorea, Papeete, Huahine, Taha, Nukaheva and Fata Hiva. Phil and Florence Walker sailed with Irwin and Kim Weston down the western coast of Mexico and Central America to the Galapagos Islands, then to the Marquesas, Tuamotus and Society Islands and Tahiti, in French Polynesia.

Walker grew up in northern California and in an early experience he sailed a 75-foot boat from Sydney, Australia, to

Cebu City, the Philippines. In 1961 he flew with two Swiss from Switzerland to Italy, becoming the first American to cross the Alps in a free-floating hydrogen-filled balloon.

Walker has been an actor in summer theater in Carmel and also has been an announcer for NBC, as well as writing and

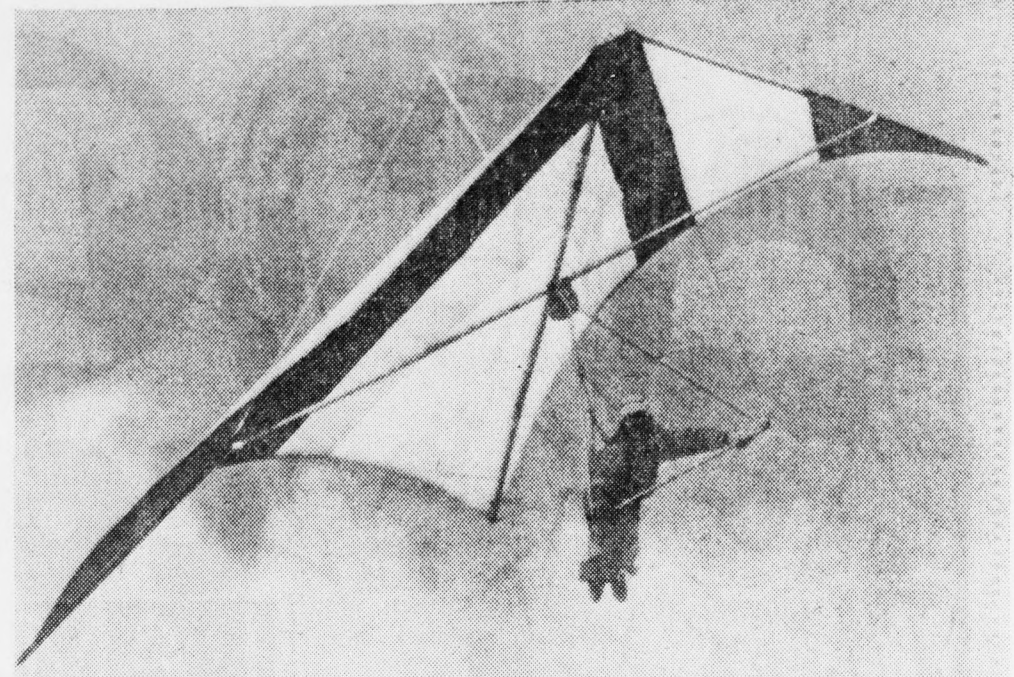

directing for that network.

The Claremont Travel Film Series is a benefit project for the Development Fund of Pomona College, Claremont, producing his own independent programs for television. In 1953, he and his wife became full-time producers of travel motion pictures.

ALHS players to give 'Camelot'

The musical "Camelot" will be presented April 3, 5 and 8 p.m. in the Alta Loma High School Auditorium. Leading roles will be played by Tyler Learned as King Arthur; Jon Lubecki as Lancelot; Cindy Whitehead as Queen Guenevere; and Steve Breithaupt as Pellinore. Also cast are: Mike Genoff as Mordred; Karl Ketner as

Merlyn; Maureen Martinet as Morgan LaFay and Leslie Renaker as Nimue.

SOARING — The exciting sport of hang gliding and other outdoor and sporting exhibits will fill the Los Angeles Convention

Center April 5-13 during Werner Buck's 30th Annual Los Angeles Sportsmen's, Vacation and Travel Show.

RESOLUTION AND NOTICE OF INTENTION TO SOLICIT PROPOSALS FOR THE CONSTRUCTION, MAINTENANCE AND OPERATION OF A CLUBHOUSE FACILITY AT FRANK G. BONELLI REGIONAL PARK, AT THE MOUNTAIN MEADOWS GOLF COURSE

WHEREAS, The Board of Supervisors of the County of Los Angeles, State of California, has found that the public interest and welfare will be served by the solicitation of proposals for the construction, maintenance and operation of a clubhouse facility at Frank G. Bonelli Regional Park, at the Mountain Meadows Golf Course.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Los Angeles, State of California as follows:

1. That it is the intention of the County of Los Angeles Facilities Department on the 11th day of April, 1975, prior to 5 p.m., in its offices at 780 Hall of Administration, Los Angeles, California 90012, to receive proposals for the construction, maintenance, and operation of a clubhouse facility at Frank G. Bonelli Park, at the Mountain Meadows Golf Course. The purpose of this Resolution and Notice of Intention is not to solicit formal bids, but to request proposals to construct, maintain, and operate the facilities described above.

2. Selection of the best responsible proposal will be based upon the following criteria:

a. The ability of the proposer to provide and operate the facilities required by the County.
b. The extent and quality of the development program to be constructed and the services to be provided to the public.
c. The percentage of gross annual income and annual minimum amount to be paid to the County as rent, and if applicable, the amount of rent to be charged County for the portions of the facility to be leased by the County.
d. The financial responsibility of the proposer to construct, maintain and operate the facilities.

e. The lease term proposed.
3. The related facilities shall be constructed for the operation of a food service concession and a golf professional concession. The proposer shall have two alternatives in making his proposal, both alternatives which will require the successful proposer to construct the entire clubhouse facility as required by the County. In Alternative "A," the successful proposer will maintain and operate the food and beverage service concession only, leasing back to the County that portion of the facility to be used as a golf professional concession. In Alternative "B," the successful proposer will operate both the food service and golf professional concessions. The proposer will be requested to submit a proposal on both Alternative "A" and Alternative "B," but failure to propose on both will not disqualify proposer.

4. The minimum hours of operation will be dawn to dusk every day of the week.

5. County shall provide the premises as shown on Exhibit "A" in the proposal package.

6. The proposal package will be on file in the offices of the County Facilities Department, 780 Hall of Administration, 500 West Temple Street, Los Angeles, California 90012, and will be made available to any and all prospective proposers prior to the date set by the Board of Supervisors for the submitting of the proposals. Said proposal package contains in detail all of the terms and conditions pertaining to the operation of the facility and all proposers shall be deemed to have notice, constructive or otherwise, of said terms and conditions.

7. Proposers must satisfy themselves by personal examination of the location of the property and by such other means as they may prefer as to the conditions and requirements of the operation of the facility.

8. Qualifications of Proposers:
Proposers must present evidence indicative of their ability to finance, construct, maintain and operate the required improvements to the satisfaction of the County. To this end, each proposer shall furnish the following information with his sealed proposal:

Financial Statement - A full and detailed presentation of proposer's assets, liabilities and net worth.

General Business Statement - A statement of all of the important business activities of proposer's major business life. This statement should emphasize proposer's experience in the construction, maintenance and operation of golf course facilities.

Business References - A minimum of five (5) business references giving names, addresses and telephone numbers in each instance.

Personal References - A minimum of five (5) personal references giving names, addresses and telephone numbers in each instance.

Credit References - A minimum of five (5) credit or financial references giving names, addresses and telephone numbers in each instance.

General Development Program - A narrative description of the improvements to be constructed, together with estimated construction costs.

9. The filing of such statements shall constitute permission by the proposer for the County to check, verify and have certified all information contained in such statements. If the County desires, additional information may be requested from the proposer. Failure to comply with any such request may disqualify any proposer from further consideration.

10. Sealed proposals must be filed in the offices of the Facilities Department of the County of Los Angeles, State of California, 780 Hall of Administration, 500 West Temple Street, Los Angeles, California 90012. The final acceptance of any proposal as recommended by the Director of Facilities may be made at any meeting of the County Board of Supervisors within sixty (60) days after receipt by said Department of said proposals or within such longer period as may be deemed reasonable by said director.

11. No oral proposals will be considered by the Facilities Department.

12. The Los Angeles County Board of Supervisors reserves the right to reject any and all proposals. In the event the County accepts any proposal, a lease and concession agreement shall be awarded to the person who submits the best responsive proposal, in the sole judgement of the County. The County reserves the right to negotiate with one or more proposers.

13. Each proposal must be accompanied by a Cashier's Check or a check certified by a responsible bank in the County of Los Angeles and payable to said County in the amount of \$2,500 as a guarantee proposer will execute the lease and concession agreement if same is awarded to such proposer. This guarantee will be applied toward but shall not be considered a limitation upon any damage which may be sustained by the County if proposer fails to so comply.

The foregoing Resolution was duly and regularly adopted by the Board of Supervisors of the County of Los Angeles, State of California, on the 4th day of March, 1975.

Only the designing ingenuity and engineering excellence of FIAT could have produced this incredible sub-compact: FIAT 128. The economy car that offers all the advantages of smallness with none of the disadvantages. It's shorter in length than VW — but it's bigger inside. That's the result of mounting the front-engine drive engine transversely so that it occupies just 20% of the total interior — leaving fully 80% for passenger room and a 13 cu. ft. trunk. The 4 door model has the same interior and exterior dimensions. And space isn't the only advantage.

Discovered why the FIAT 128 has won more international Car-Of-The-Year awards in Europe than any other car in history.

Two desserts for unexpected guests

One kind of social security is a blessing when you retire. But for those who are still busy raising a family, holding a job, keeping up a house, here's a recipe for another kind of social security. It helps keep you ready, relaxed, and sociable when unexpected company drops in.

In a spare moment — and it really doesn't take very long — prepare a supply of homemade Italian orange sherbet. The main ingredients are orange juice and unflavored gelatin. The sherbet can be stored for a long period of time in the freezer.

Keep a supply of small ready-to-serve layer cakes tucked away in the freezer, too. The new frozen Boston Creme layer cake comes in a small package (11½ ounces), a perfect size for six servings. You'll find that the flavor combination of orange sherbet and Boston Creme makes an unexpectedly different and delightful dessert when your friends come calling.

Italian Orange Sherbet
(To be served with small frozen ready-to-serve Boston Creme layer cake)

2 envelopes unflavored gelatin
1 quart orange juice
1 cup sweet sherry
½ cup sugar
4 egg whites, stiffly beaten

In a saucepan, combine gelatin and 1 cup of the orange juice. Stir over low heat until gelatin is dissolved. Stir in remaining orange juice, sherry, and sugar. Stir until sugar is dissolved.

Freeze mixture until mushy. Beat until smooth. Fold in beaten egg whites. Cover and freeze until hard.

When ready to serve, scoop into serving dishes or directly over cake. Top with well-drained mandarin orange slices if desired. Makes about 6 cups.

With the busy life-styles most people lead these days, "Be Prepared" isn't a motto reserved only for Boy Scouts. If you'd like to be ready, relaxed, and sociable when friends come calling, be prepared with a nice dessert tucked away in the freezer. And if the company is unexpected, you'll feel lots more pleasure and lots less panic when the doorbell rings!

The lemon mousse is easy to prepare ahead of time — and takes little time to do. The only

ingredients you'll need are frozen, concentrated lemonade, unflavored gelatin, and heavy cream. Once the mousse is made, it can be stored for a long period of time in the freezer.

To complete the dessert, keep some small ready-to-serve layer cakes in the freezer, too. The new frozen Banana layer cake comes in a small package (11½ ounces) — a perfect size for at least six servings, and makes a fresh flavor combina-

tion when served with the lemon mousse.

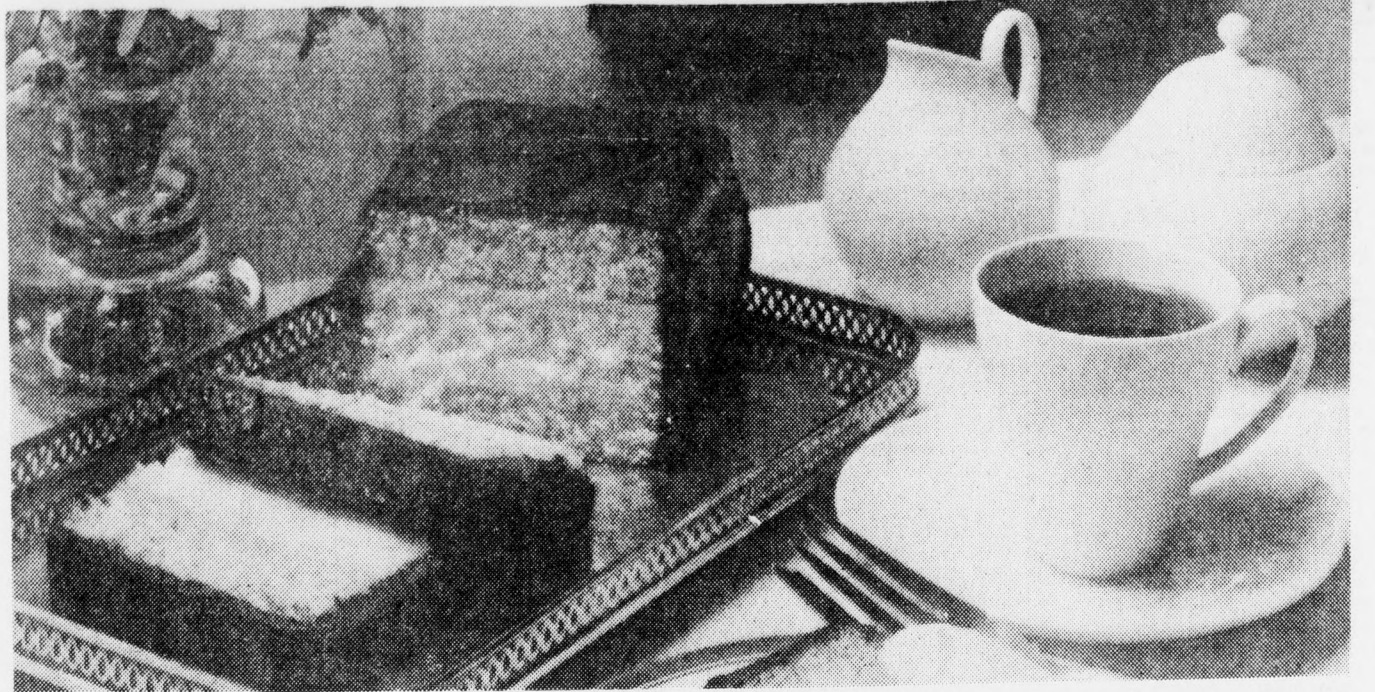

So — good scouts, "Be Prepared!" Put away some small Banana layer cakes and prepare that mousse. Here's how...

Lemon Mousse
(To serve with Banana layer cake)

2 cans (6 oz. each) frozen concentrated lemonade, thawed and undiluted
2 envelopes unflavored gelatin

4 cups water
2 cups (1 pint) heavy cream, whipped

In a saucepan, combine lemonade and gelatin. Stir over low heat until gelatin is dissolved. Stir in water. Freeze mixture until mushy. Beat until smooth. Fold in whipped cream. Cover and freeze until hard. When ready to serve, scoop into serving dishes or onto cake plate. Add a twist of lemon peel for fun! Makes about 2 quarts.

Boston Creme small layer cakes and orange sherbet can always be on hand in your freezer to make a delightfully

different dessert for unexpected guests. This is refreshing and a nice change from heavier desserts.

PUBLIC NOTICE

PUBLIC HEARING NOTICE OF MASS TRANSPORTATION PROJECT UNDER SECTION 5 OF THE NATIONAL MASS TRANSPORTATION ASSISTANCE ACT OF 1974

A public hearing will be held in the City of Montclair, April 24, 1975, for the purpose of obtaining comments and statements on the use of Urban Mass Transportation Funds on the proposed projects below.

The hearing is being conducted by the West Valley Transit Services Authority (a joint powers agreement authority) on behalf of its members, the Cities of Chino, Claremont, Montclair, Pomona, Ontario, Upland and the County of San Bernardino.

PROPOSED PROJECTS

A CAPITAL ASSISTANCE PROJECT The Federal Capital Assistance Project will be used for purchasing 6 min (19 passengers) buses and related equipment to initiate demand-response (Dial-A-Ride) service within the City of Chino, Fixed Route and/or Route Deviation Service in the Chino/Los Serranos Area, and fixed Route Service in the Ontario/Upland Area.

The total cost of the 6 min-buses and related equipment will be \$184,215, of which 80% is being requested from the Federal Urban Mass Transportation Agency (UMTA) and the other 20% funds derived from the Local Transportation Fund (State of California 1971 Development Act).

B. OPERATING ASSISTANCE PROJECT

The Federal operating assistance sought will be used to initiate and operate Transit Bus Service as outlined in the Project (A) above and the addition of the Claremont Dial-A-Ride System. It is estimated that the annual ridership for these routes will be 238,024 passengers, covering annual vehicle mileage of 380,325 miles at a total net operating cost of \$317,378.

Funding will be requested from the Federal Urban Mass Transportation Agency (UMTA) which amounts to 50% of the total net operating cost. The other 50% will be funds derived from the Local Transportation Fund (State of California 1971 Development Act).

There will be no displacement of families and businesses due to these projects. Also, it is anticipated that there will not be any significant effect of these projects except to improve the mobility of those people using the transit services. These projects were identified in the Transit Development Program for this area and is in conformance with the Comprehensive Land Use and Transportation Planning of the area. The services provided will not have any significant and adverse economic, social and environmental impacts.

The following documents will be available for public inspection at the locations indicated below:

- 1. Proposed Project Application
- 2. Program of Section 5 Projects
- 3. The Transit Development Program
- 4. Draft Report describing the environmental, social and economic impacts of the proposed projects.

PUBLIC NOTICE

CITY OF SAN DIMAS CASH CONTRACT NO. 75-1 WALNUT AVENUE IMPROVEMENT NOTICE INVITING BIDS

NOTICE IS HEREBY GIVEN that the City Council of the City of San Dimas, County of Los Angeles, State of California, hereby invites sealed proposals or bids for the construction and completion of street improvements and appurtenant facilities to be constructed in Walnut Avenue and other rights of way, Cash Contract No. 75-1 all in accordance with the plans and specifications on file in the office of the City Engineer of the City of San Dimas.

Said proposals or bids shall be delivered to the City Clerk of the City of San Dimas on or before 10:00 A.M. of the 24th day of April, 1975, at the office of the City Clerk, City Hall, 245 East Bonita Avenue, San Dimas, California. The City Clerk will at said time, in open session publicly open, examine and declare said bids.

All proposals shall be accompanied by a check payable to the City of San Dimas, and certified by a responsible bank for an amount which shall not be less than ten (10%) per cent of the aggregate of the proposal or by a bond for said amount and so payable, signed by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double the said amount and over and above all statutory exemptions, or by a check or cash, payable to the City of San Dimas, and approved by the City Council of the City of San Dimas, California.

The bid check, bond or Surety Bond of the successful bidder will be forfeited to said City in the event such successful bidder fails or refuses to enter into the required contract within fifteen (15) days after the written notice that said contract has been awarded to him for work.

The successful bidder, simultaneously with the execution of the Contract Agreement, will be required to furnish a labor and materials bond in an amount equal to fifty per cent (50%) of the contract price and a faithful performance bond equal to one hundred per cent (100%) of the contract price.

BIDDERS ARE HEREBY NOTIFIED that, pursuant to the Labor Code of the State of California, the City Council has ascertained and determined the general prevailing rate of per diem wages and the general prevailing rate for legal holiday and overtime work in the locality in which said work is to be performed for each craft or type of workman needed to execute the contract for said work, which contract will be awarded to the successful bidder.

The City of San Dimas hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, sex or national origin in consideration for an award.

Copies of plans and specifications may be obtained at the office of the City Clerk, City Hall, 245 East Bonita Avenue, San Dimas, California, as follows: One set of plans and specifications is available to each contractor proposing to submit a bid for the work for a fee of five dollars (\$5.00), said fee is not refundable.

The City Council reserves the right to reject any and all bids received and to compare the relative merits of the respective bids and to choose that which in the opinion of said City Council will best serve the interests or needs of said City and to take all bids received under advertisement for a period of not to exceed sixty (60) days, after the declaration thereof.

Each bidder in bidding shall state his California Contractor's license number, as no bid will be accepted from a contractor who has not been licensed in accordance with the provisions of the laws of the State of California relating to licensing of Contractors.

This notice is hereby given and published by order of the City Council of the City of San Dimas, California and is dated this 21st day of MARCH, 1975.

BARBARA A. HENDERSON, City Clerk, City of San Dimas, California. San Dimas Press 4201. Publish: March 27, April 3, 1975.
